Wanted - Burglary

March 15, 2018

Name: Travion Ja Mel Poole (*please note that previously Poole was misidentified as Lafayette Jones)

Poole has been identified as the main suspect in a burglary case at UCSD Leichtag Biomedical Research Building. He may also be connected in a series of burglaries across research/office buildings across campus.

If seen, please call **858-534-HELP** immediately & inform the dispatcher your location and the location of where you last saw Poole. Do not attempt to apprehend or follow Poole.

Be advised that Poole has at least 3 known associates pictured below. They are also persons of interest in these burglary cases. Please contact police if they are seen on campus.
